

Brother Randy, in this part, I am first sharing with you some of the manifestations that you might expect to find. I also share the different “open doorways” which led certain demons into people’s lives, **infesting** their bodies or **oppressing** from the outside.

Before we get to that, let us discuss whether a born again Christian can be *demon* possessed. I will try and illustrate, by means of testimonies and Scripture, my train of thought. I will definitely not be dogmatic and add to the many doctrinal error going around.

Fact is : The **spirit of man** is born again, by The SPIRIT of GOD.

**Joh 3:5** Jesus answered, **Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.**

GOD will not share the same abode with *demons*, that’s for sure.

**2Co 6:15** And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

**2Co 6:16** And what agreement hath the temple of God with idols? **for ye are the temple of the living God;** as God hath said, I will dwell in them, and walk in *them*; and I will be their God, and they shall be my people.

**2Co 6:17** Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean *thing*; and I will receive you,

**2Co 6:18** And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.

As seen in 2<sup>nd</sup> Corinthians chapter 6, it would seem that GOD’s children cannot be indwelt by *demons* because, “Ye are the temple of the LIVING GOD”. I do believe here that, and because of nearly 30 years experience in the deliverance ministry, that The LORD is saying that HE will indwell our spirits, because HE is SPIRIT.

John 3/6 teaches : “That which is born of flesh is flesh, and that which is born of The Spirit is spirit”

Also : **Joh 4:24** **God is a Spirit:** and they that worship him must worship *him* in **spirit** and in truth

Page 2.

Brother Randy, in 1989, just after having relocated from Port Elizabeth to Cape Town, during my quiet time in the early hours of the morning, I was suddenly **IN** the spirit, and transported by The HOLY SPIRIT, to the beautiful sea-side town of Knysna. I found myself standing on a little beach at the lagoon, facing “The Heads”, the natural gateway to the open sea.

I walked into the water, about 10 feet and it reached just above my ankles and noticed on my right, just a few feet away, some people jumping off a 6 feet high jetty into the water.

Realising that I was in a vision, I said : “LORD JESUS, how is it possible that those people can jump into the lagoon while only my ankles are covered by the water”?

The LORD replied : “Walk a little deeper into the water”. I did so, and immediately I was waist high in water.

Then I heard a Voice : “Look down at your feet”. Millions of tiny fish were swimming around me.

Then : “Turn around and walk back to where you came from”.

As I did so, I noticed that a small stream had now developed where I had stood, just moments ago. There was an old rusty fence on one side of the stream and I saw many big,

fat fish, belly upwards, lying next to the fence. They were alive, but just lying there, doing nothing.

Then, at the side of the little stream, I saw a professor standing in front of a black board, on an easel. He had apparently drawn a compass on the board and was pointing with a stick at it, saying : "Look at your feet". The tiny fish had turned into millions of ants, just swirling around me. I knew that the tiny fish represented the multitudes who must still hear The Gospel....we're fishers of men....I also knew straight away that the ants symbolised "wisdom", The Gift of Wisdom.

The professor then said : "The big, white bellied fish are those who are saved, but do nothing for The Gospel". Pointing to "The Heads", he said :

Page 3.

"They know the way, but have lost their "first love", Revelation 2/4. You must lead them back using The Gifts of Words of Knowledge and Wisdom, 1<sup>st</sup> Corinthians 12/8 and the compass". I knew that the compass represented The Word Of GOD. With this, I came out of the vision.

Very soon, I began to realise that so many children of GOD, even wonderful pastors with lovely reputations, and strong ministries, had lost courage. The LORD just kept on bringing them to me and, my brother, The Gift of a Word of Knowledge worked so intensely, that people would call from all over to speak to "the prophet", all Glory and Honour to JESUS, brother Randy. If we ever try to receive any of the Glory of The LORD, we would fall like lucifer did. Praise YOU, LORD JESUS!!!

During this time, I came to realise that many beautiful children of The Most High, and many, many wonderful pastors had become infested with *demons*.

Many had *demons of lust, jealousy, passivity, slander* and the list goes on and on and on.

I would get them to repent of these "*emotional problems*" but seeing, that repenting alone, did not change anything at all, found myself having to cast out *the demons*. Positive results would be almost instantaneous. But the constant ministry would take its toll.

One such deliverance episode I will never forget. I was going through a very testing time in my life, so bad in fact, that I really thought that The LORD had written me off. I knew HE would never forget about me, but things were getting me down, people accusing me of being a false prophet, because The LORD had revealed their deepest secrets, things that they thought

they had repented.

Anyway my brother, to cut a long story short, back in 1995, I was sitting in my office, eyes closed. It was lunch time my office staff were out. I heard a sound, looked up and saw a very tall, beautiful lady, early forties, standing in my doorway. How long I did not know, I might have just fallen asleep for a few moments.

Page 4.

While still standing there, she said : "Sorry to bother you sir, I am "Anonymous". I am the head altar worker at "ABC Pentecostal Church". I have been there a number of years and have done many deliverance sessions, but now I am rather tired and in a very deep depression and cannot get healed by the psychologist's medicine. I have been for deliverance but still I am depressed. When I walked past this building, I was physically stopped by "some-one" who said that a man in this building will help me.

Are you this man sir?"

Just then, my secretary walked in, saving me from answering her and I told her to take the lady to our training room, serve her some tea, while I separated myself to speak to The LORD.

I said to The LORD that I actually needed some deliverance ministry myself and did not feel comfortable ministering to this obviously, very stressed out lady. I really needed a Word from The LORD, to enable me to set her free, from whatever *demons* she had.

Brother Randy, just from experience, I could tell she had a number of *evil spirits* tormenting her, but as I was not a picture of confidence myself, I was so afraid that The LORD, was not going to come through for me. Stupid?? Yes brother, very much so. You see, satan's henchmen were preaching to me, and I knelt out at their altar call, forgetting to immediately start quoting Scripture, 'nuff said!!!

I said : "LORD if, and that's a big "IF" YOU sent the lady in here, that would mean that YOU love her very much and want her free, and YOU still trust me to do it. Please give me a special Word of Knowledge to help me deliver her".

The next moment I just heard one Word : "Speedboat".

"Speedboat? That cannot be from YOU LORD".

Page 5.

But, hearing nothing further, and knowing very well that The LORD had finished speaking, I went to the training room and started by praying and asking The LORD to please be present blah, blah, blah etc.

"Listen here you *spirit of .....whatever*". Nothing happened, She just sat there, staring at me. Took out the oil and anointed her again. "You *evil spirits, you* know who I am and on and on etc".

Nothing!!!

"LORD JESUS, Precious HOLY GHOST, send YOUR all consuming fire to set this lady free". Nothing!!!

"Speedboat".

"LORD JESUS, what on earth?"....."Speedboat".

"Miss Anonymous, what comes to mind when I say, "Speedboat?"

Brother Randy, the next moment that lady started screaming, spitting, growling, bellowing, roaring and manifesting very strange behaviour. I had to run to get a bucket because she was at the point of vomiting. She vomited foam for about 15 minutes, and then I started rebuking *demon spirits*, as The LORD revealed *them* to me and eventually, after about 5 hours, she was completely free and I made some tea for us.

After tea, I asked her why she had manifested so violently when I said "Speedboat". She told me that she was a prostitute in her young days, having had a very rich boyfriend, who pampered her for a while and having her live on his luxury yacht. Then he forced her to sleep with two of his friends, it became a regular thing, and they started calling her "Speedboat".

This went on for about a year, before she managed to straighten herself out, got off the boat and left the city for another town. There she met a born again Christian lady, who took her to church, where she got saved, baptised etc. and met her husband.

Page 6.

It was now 15 years later, she attended Bible Classes and became a well respected member of her church and, eventually became an altar worker. She threw herself eagerly into this ministry, became the head altar worker, worked very hard at it, and ended up nearly broken and so utterly depressed that she contemplated suicide and finally arrived up at my door.

Yes brother Randy, serving The LORD nearly 18 years, baptised in water and In The SPIRIT, yet *demon possessed*. 5 hours of intense battling, casting out nearly 200 *demons*.

Brother, I can relate many similar stories. So, can born again children of GOD have demons? You notice I say..."have demons", as opposed to being "possessed". My answer

must be...YES!!! My friend, I had too many experiences with similar results as the above to believe otherwise.

But brother Sarel, you said the lady above was "possessed" and now you talk about "having demons". You're not consistent with your statements, no wonder some people are calling you a false prophet.

Yes, ok brother Randy, you got me there. Let me get out of that dilemma. Its all about "open doorways". These are things we allow in our lives, things that are forbidden by GOD's WORD, but we do them anyway. Now, at the rebirth, I know that many *demons* just leave, because of The POWER of The Gospel, Romans 1/16.

When I got saved, I was instantly "healed" of swearing and dirty talk and fear. But 3 days later The LORD had to send a dear, born again, Jewish lady to cast out the *spirit of nicotine and addiction*. 7 Days after this, I was led by The LORD, to see a wonderful man of GOD, who cast, I don't know how many *demons* out of me. My right leg was nearly one inch shorter, caused by a diving accident when I was 10. When this precious man of GOD laid his hands on me, my leg grew back to its normal length. This

Page 7.

happened 10 days after my rebirth. I was still full of *demons*. My body was'nt regenerated, still is'nt. Full of aches and pains and wanting to sin.

**Rom 7:15** For that which I do I allow not: for what I would, that do I not; but what I hate, that do I.

**Rom 7:16** If then I do that which I would not, I consent unto the law that *it is* good. **Rom 7:17** Now then it is no more I that do it, but sin that dwelleth in me.

**Rom 7:18** For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but *how* to perform that which is good I find not.

**Rom 7:19** For the good that I would I do not: but the evil which I would not, that I do.

**Rom 7:20** Now if I do that I would not, it is no more I that do it, but sin that dwelleth in me.

**Rom 7:21** I find then a law, that, when I would do good, evil is present with me.

**Rom 7:22** For I delight in the law of God after the inward man: (*spirit*)

**Rom 7:23** But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members.

**Rom 7:24** O wretched man that I am! who shall deliver me from the body of this death?

**Rom 7:25** I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin.

Brother Randy, those *demons* were in my sinful body, NOT IN my spirit, which is regenerated and cannot sin.

Have I got myself out of that dilemma? Thanks brother.

What was the "open doorway" that allowed so many *demons* in?

It was the *spirit of fornication*.

Matthew 28 /19 and 20 teaches that we are to be taught after becoming disciples( The root word of disciple is the same as discipline). I believe that, during this time of teaching, the teacher need to ensure that the new disciple has been delivered from *demon spirits*. If the pastor, who led Anonymous to CHRIST, had spent some time with her, and made sure that, no roots from her former life remained, it would have been a different story of happiness and victory.

Page 8.

The sad thing today is, that too many pastors want to run "one man shows", and please forgive my criticism, and do not train others to assist them and many problems are overlooked or simply by-passed.

I always wondered how many could have received *demons* from her ministry. Some of the things she got involved in, are to terrible to mention, because of a lack of GOOD teaching and also a total lack of discipline.

*We so often consider discipline as punishment--but it is much more. Did you know that the words "disciple" and "discipline" are based on the same root word which means to learn? As disciples of Jesus Christ we must disciplined. It is imperative that we be:*

- *Disciplined in making a conscious decision to love the Lord everyday*
- *Disciplined in making a conscious decision to love our neighbour everyday*
- *Disciplined in making sure we read the Bible everyday*
- *Disciplined in listening and obeying the Holy Ghost's prompting/unction*
- *Disciplined in making sure we obey God's statutes and commands everyday*
- *Disciplined to resist sin every second*
- *Disciplined in praying for others and self*
- *Disciplined in using our spiritual gifts*
- *Disciplined in serving Christ in our ministries*
- *Disciplined in regular fasting*

*In order to become a strong, adult Christian, well hedged in and protected, you must exercise discipline in these areas. Otherwise, a lukewarm Christian life results and all the guilty feelings that come with wilful disobedience. Doing this will also keep doors locked to the enemy after being delivered from demons.*

- *My theme verse for the above is Proverbs 25:28,*
- *He that hath no rule over his own spirit is like a city that is broken down, and without walls.*

Page 9.

*Proverbs 25:28*

*He that does not know how to rule over his own spirit, affections and passions, puts no restraint, unto them, as the word signifies; not guard against them, no fence about them, to curb his curiosity, to check his pride and vanity, to restrain his wrath, anger and revenge, and keep within bounds his ambition and itch of vainglory; is like a city that broken down and without walls; into which they may go with pleasure, and which is exposed to seizure of his property, and violence of everyone; and so a man that has no command of himself and passions, but gives the reigns to them, is exposed to the enemy of souls, satan and is liable to every sin, snare and temptation.*

*Job 1:10* Hast not thou made an *hedge* about him, and about his house, and about all that he hath on every side? thou hast blessed the work of his hands, and his substance is increased in the land.

*Ecc 10:8* He that diggeth a pit, shall fall into it; and whoso breaketh an *hedge*, a serpent shall bite him.

*Luk 10:17* And the seventy returned again with joy, saying, Lord, even the *devils are subject unto us through thy name.*

*Luk 10:18* And he said unto them, *I beheld Satan as lightning fall from heaven.*

*Luk 10:19* Behold, I give unto you *power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.*

*Luk 10:20 Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven.*

Brother Randy, the above Scriptures warns us to be **"hedged in"**, *to be surrounded by protection, that we have power over serpents and scorpions (demons)*. However, if our "hedge", our "protection," is broken, the *serpents* will get us. Simple as that.

That is what happened to Anonymous, and that is what's happening to many children of GOD. They allow their "hedge" to be broken.

#### **Another testimony.**

One day in 2001, I took 2 Nigerian pastors to an Internet Cafe. While they were busy in the cafe, I stood outside the door and saw a blonde lady walking on the other side of the road. Immediately, I knew that I was going to meet her shortly, and I

Page 10.

was to observe her very thoroughly, when I see her again. Brother, the very next day, I walked into a friend's furniture shop and there was this lady, talking to one of the sales people, discussing the purchase of a bed.

Standing next to her was a rather fierce looking fellow. I felt prompted by The HOLY GHOST to go nearer and she turned around and said ; "Oh hi there, nice bed hey? You could be my first client, if that's ok with you".

I smiled and said : 'Yes sure, just take a walk with me down into the basement and we can discuss things there, if that's ok with you".

Brother Randy, I walked down the stairs and the blonde lady and Mr. Fierce followed me.

"Lady, do you mind me just laying my hands on you?"

"Not at all sir, go ahead". Mr. Fierce was watching, a worried look on his rather handsome face.

What the lady didn't know, was that I had poured some oil into my hands, as I was going down the stairs.

I put my left hand behind her neck, under her hair, my right hand on her forehead and shouted.

"You demon of lust, loose her In The Almighty Name of JESUS, The Only Begotten SON of The Living GOD", and with that I turned to Mr. Fierce and just touched his right cheek. Blonde lady and her companion fell to the floor and stayed down for about 10 to 15 minutes, just crying bitterly and begging JESUS to forgive them, while I cast out a number of *demons* from them.

Eventually, they both got up from the floor, the man now very shy and apologetic, the lady shaking uncontrollably and crying. Then the guy spoke to me and said : "I am so ashamed of myself sir, I was once saved, speaking in tongues, playing guitar in the church worship group. After some years I stopped praying and reading my Bible and soon found myself backslidden, ending up as a pimp and body guard for the street ladies. Please don't judge us, we are already under such conviction, this precious lady was also a child

Page 11.

of GOD, not too many years ago. The poor economy, children at school and being divorced, forced her into this lifestyle. I assured him that I would NEVER EVER judge a sinner, because I was a greater sinner before The LORD saved me by HIS Marvellous Grace.

After praying the "sinner's prayer" with them, I referred them to a Bible believing church, where one of my best friends is an elder and I knew they were in good hands.

Here again, both children of GOD, filled with HIS SPIRIT, yet I had to cast out several *demon spirits* from them. The open door? Yet again, *spirits of fornication*.

#### **And another testimony.**

Brother, I hope I don't bore you with all these testimonies, I just feel led by The HOLY GHOST to give you as much info possible and to show you how people get demonised.

I was approached by a family member, who was courting his neighbour's daughter, telling me that his girlfriend's mother would scream at night and could not remember anything the next day. One day she would be friendly and kind, the next, very aggressive and she would even treat her children poorly.

She was under psychiatric treatment but, because she was not taking her medication regularly, she was getting worse by the day and her children were beginning to fear for their lives. Because of her condition, her husband had left her months before and that was the last straw. She now ran an Escort Agency at an old dilapidated hotel in the city centre, but she knew she needed help urgently and agreed to see us.

We met at a friend's home, who went out for the afternoon.

Brother, I have to go out again, will send this now and do the rest when I return in about 2 hours. Keep well and GOD Bless!! SHALOM!!
