

Setting captives Free - Part 4_a7th May 2013

Strategy for brother Randy.

Brother Randy, now we are going to analyse the *schizophrenic* in detail and find out what he/she is all about, how did they become like that, and most importantly, how can we heal them?

Let us take a look at a Scripture, which I do believe, refers to the *schizophrenic*, when one studies his behaviour. James 1/8: "A double minded man is *unstable in ALL his ways*".

Double minded man?

Typically, the *schizophrenic* has two personalities.

The *real Self*==normally very timid and introvert.

And the *strong man*==*spirit of schizophrenia*.

The *strong man* has under his charge :

Two *controlling demons* : *spirit of rejection*

And : *spirit of rebellion*.

These *controlling demons* "manage" a vast number of *evil spirits* to do their dirty work for them, and through them, have this poor individual in total submission. We shall take an in-depth look at them later in this study.

Unstable in all his ways? Yes very much so. The *real self* NEVER makes a decision and sticks to that. He ALWAYS changes his mind and then changes even that yet again, and again. One can NEVER trust him to make a decision and stay with it.

One night, during the time of Peter's deliverance, The LORD woke me up in the middle of the night, saying : "I AM going to teach you the difference between the psychopath and the schizophrenic and how to deliver him successfully".

Brother Randy, I am not going to share the psychopath, because he is a totally different ball-game.

The LORD then showed me a *multi-plug*, the type that one plugs into the wall socket, and then the kettle, electric iron and other appliances are plugged into the different sockets. In South Africa we have one type that has a power switch for every appliance and another with a single power switch for all the appliances. It was this last one that I was shown.

1. The LORD then showed me that, in place of appliances, different *characters/personalities or demon spirits* were "plugged in".
2. "*Self*" was plugged into the wall socket, the switch was turned "ON"...meaning the person was on "operating" mode...or "ready".
3. Then The LORD showed me the names of the *personalities* above the plugs on the *multi-plug*.
4. The power switch was flickering but not turned "ON".
5. "*Self*" could turn on the power switch.
6. A situation could also turn on the switch.
7. A familiar site, object, person or unkind word could turn it on.
8. Mostly, *spirit of schizophrenia* turns it on to manipulate "*Self*".
9. "*Self*" now becomes the *controlling spirits, rejection and rebellion's* puppet. "*Self*" reacts like a robot, thinking it was his decision.

Here are the names of the *personalities/spirits* mentioned in 3 above. *spirits of* ; From here on *spirits are THIS Color*

1. *remembrance*, 2. *reproach*, 3. *accusation*, 4. *rejection*,

5. *rebellion* 6. *bitterness*, 6. *aggression*, 7. *depression*.

NB!!!rejection and rebellion are STRONG HOLDS!!!

Brother Randy, as you can see, all the above are emotions and they can, from the moment that the power switch of no. 1, namely *remembrance*, gets turned "ON", run the full cycle in a matter of 5 to 10 minutes.

The way I discern it is, *spirit of schizophrenia* sees the opportunity, instructs *spirits of remembrance, reproach and accusation*. At this point the *two controlling spirits, rejection and rebellion* take over and they get the more dangerous *spirits of bitterness, aggression and depression* activated and then the whole terrible, emotional hurricane, which is the make-up of the *schizophrenic, is set in motion*.

What follows now is the reason why it takes so long to get the schizophrenic delivered. In South Africa, hurricanes are almost totally unknown, but I believe in the USA the weather patterns are very well known, and the paths these hurricanes take, are mostly predictable, but I did read that sometimes they do go off-course and create absolute havoc where people are taken by surprise.

Concerning the schizophrenic, I would say that the route he is going to take, is quite predictable, if you stay with that person long enough, like the case of parents living in the same home with one. If the parents are wise, they could almost live "normal" lives, if they knew how to steer around the pot-holes. Having said that, one must always be on the alert for that run-away hurricane.

When this happens, "Self" does not even realise what is happening, although, and this may sound like a contradiction, he is totally aware that things are out of control, but he can do nothing to stop the storm inside of him. Afterwards he will not believe, or goes into denial, when he is told about the chaos he created.

Having spent 18x24hour days, with Peter, our LORD JESUS kept on telling me to observe, rather than take action. I listened to HIS instructions, HE would know better. Amen?

A. I was to be attentive to Peter's demands, but very firm with acceptable norms and reasoning, insisting that good manners be applied and adhered to, but to never ever forget HIS "AGAPE" love.

B. Never to rush proceedings. In most cases the schizophrenic had learned his ways over many years, it was his lifestyle and many of his unacceptable emotions will have to be "unlearned" and given up.

A psychiatrist told me that there is, for all intent and purposes, no permanent treatment for the disease. Sufferers are put on a LIFELONG program...LIFELONG. Another psychiatrist told me that it takes at least 26 years to heal a schizophrenic but then they had to stay on "mood enhancers" for the rest of their lives. Randy, then they're not healed brother. It took The LORD and I 18 days to deliver Peter, if The LORD was on HIS own, it would take HIM 18 seconds, but I had to observe and LEARN. JESUS gave us instruction to do HIS work on earth and HE equipped us. We are able to do it, and do it perfectly, as long as HE is in charge and we are empowered by HIS HOLY SPIRIT. HALLELUYAH!!!

C. The LORD also told me that there would be a measure of brain damage, especially where drugs were taken, including the prescribed medication, and time was needed to correct that. I was told by 2 psychiatrists that marijuana, if abused over a long enough period, could actually cause schizophrenia. HE told me that old Peter had some brain damage, but now he is totally and completely healed, no sign of brain damage there my brother. I had to stay the distance to observe and assure total and complete deliverance.

After Peter's deliverance, The LORD arranged that we stay with him for about 4 months and I was able to teach him from GOD's WORD. He was such an eager learner, that I now trust him completely to minister to schizophrenics, and brother, did I ever give him a hard case. This guy will test him to the limit, that's for sure.

D. I had to find a suitable place to separate ourselves from nosy intruders, negative influences, ensure that I had some prayer back-up, and was fortunate to have my wife and mother-in-law as my intercession prayer group. Praise GOD!!!! My mother-in-law has a small house on her church grounds and it was perfect for what we needed.

Randy, you can see by the above, that the deliverance is not a quick drive down town, a little oil anointing and casting out a few demons. Yes, I was very fortunate that The LORD was so graceful to help me the first couple of times. Now, after taking me to class, after teaching me who, what, where, and especially, WHEN!!!! Now I am not afraid to face the *schizophrenic*. I KNEW our Gracious LORD JESUS will come through for me, AND HE WILL ALSO COME THROUGH FOR YOU, my dear brother.

Brother Randy, when we had everything in place and I had fasted a couple of days, spent many hours on my own, praying and studying HIS WORD, I was ready to go to battle. I went to Peter, looked him in the eyes, and told him that I was going to cast out the demons the next morning, which would be Sunday. He was shocked to realise that it

was “D”day. In the interim, he was so chuffed to have visitors come and meet him so he could take over the conversation and speak for hours on his pet subjects, illuminati, poison in food and water, chem trails, persecution by “them” etc.

These days were now over, the demons knew, when I looked Peter in the eyes, the battle was at hand and there was no way they could win, Mark 16/16to18. The man they were looking at, had observed their modus operandi, was steadfast in GOD’s WORD, had **fasted** to cast out those demons who, would only go out by **fasting and prayer**, Mark 9/29. In Matthew 17/15 and Mark 9/17 we read that the *epileptic son was a lunatic. He also had a dumb spirit. They knew their future, Matthew 8/29 and would do anything to hinder the process.*
I was not going to take the chance that they would throw him down and tear him inside, hence the time of fasting and prayer.

Sunday morning, after breakfast, Peter and I sat down at the small kitchen table and I started proceedings with a prayer to The LORD to please be present, in The HOLY GHOST. I told HIM that, as a human being, I was inadequate but, with the Power and the Gifts of HIS SPIRIT, “I can do all things through Christ who strengthens me”. I told HIM that I was totally dependant on HIM and, if we set Peter free, that ALL the Glory and ALL the Praise belongs to HIM, and that NO man will receive any compliment, and that our motives to get Peter delivered, are pure. Amen!!

Brother Randy, this will be a “live” commentary of the deliverance.

The Deliverance. 20/21st May 2012.

1. FATHER, I come in The Name of YOUR SON, JESUS CHRIST of Nazareth, the only Name by which man can be saved, Acts 4/12 and enter into YOUR Throne of Grace, according to YOUR Word, in Hebrews 4/16 to find mercy and grace in our time of need. I now anoint Peter with oil, as per James 5/14, and believe, that as far as the oil is only symbolic, by YOUR Grace, YOU will manifest the true anointing. As we walk by faith and not by sight, 2 Cor.5/7, I now accept that The Power of The HOLY SPIRIT is here and I can count on the saving and deliverance power of The Blood of JESUS, and the authority in HIS name. Praise The LORD!! Halleluyah!!!

2. Now, *spirit of schizophrenia*, GOD’s HOLY WORD declares : **Luk 11:21 When a strong man armed keepeth his palace, his goods are in peace: **Luk 11:22** But when a stronger than he shall come upon him, and overcome him, he taketh from him all his armour wherein he trusted, and divideth his spoils **Listen strong man called *schizophrenia*, , I bind your works in JESUS Name, according to Matthew 12/29.****

I am stronger than you, because I am born of The Spirit, baptized in JESUS, and according to Galatians 3/27, I am clothed with HIM, and I have HIS authority in Luke 10/19, to trample on **serpents and scorpions**.

Therefore, I come in That Mighty Name of JESUS and bind and overcome you, taking your strength and armour, rendering you helpless. I will now plunder your house.

Peter, Repeat after me : **Father, I repent of allowing this evil *schizophrenia*, to operate in me. Please forgive me, Amen. Page 7. *schizophrenia*, I do not want you in my life, not in my body, nor oppressing me from outside. Get away from me now in JESUS name, Amen.**

Now, *schizophrenia*, I do not allow you to manifest in any way. In The Name of JESUS, go.

Randy, at this point, I did not wait for any signs or manifestations (walking by faith and not by sight), but went straight into the next step, trusting The LORD to do the work, as I had prohibited *schizophrenia* from putting up a display of power and might. We have that authority brother.

2. Peter, I told you that *recalling* old hurts activate *the spirit of remembrance*, who in turn activates *reproach and accusation*. Then I told you that *the 2 controlling demons, rejection and rebellion* take over and you end up a mess. Peter, you still want to be free, don’t you? You want to be back with wifey and kids? Ok then.

Repeat after me : **JESUS, I promise not to recall my childhood hurts, those days are past and belong there...in the past, Amen. *spirit of remembrance*, you are no longer welcome in me, I want no part of you, depart from me now, in JESUS Name, Amen.**

In the Mighty, All Powerful Name of JESUS CHRIST, spirit of remembrance, you have heard Peter's declaration and repentance, and you know he is now forgiven, therefore I now command you, right now, without any manifestations, depart from Peter and leave him alone, IN JESUS NAME.

3. Peter, The Bible teaches : Mat 6:14 For if ye forgive men their trespasses, your heavenly Father will also forgive you:

Mat 6:15 But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.

This might not be very easy, but you are adamant to be free, thus you must forgive a few people, who have wronged you, by not loving you as much as they were supposed to, thereby causing you to suffer from rejection, which is the cause of all your problems and that is why and how that *evil spirit of schizophrenia* could operate and cause you so much pain. Are you ready to do that? Very good Peter.

Repeat after me : FATHER, I forgive this one and that one for all the wrong they did against me, I want to be free from this heavy burden and I know that total forgiveness is necessary. I believe the pastor when he tells me that the *spirits of reproach and accusation* work together, and when I forgive people, these *demons* have no legal ground in my life, because they defile the temple of The HOLY SPIRIT, Amen. You *foul spirits of reproach and accusation*, you have heard me forgive those who trespassed against me, I am now forgiven by The LORD GOD ALLMIGHTY and you can no longer live in HIS temple. I renounce you and forbid you to cause any further problems for me. In The Name of JESUS, leave me alone, Amen.

In The Name of JESUS, I command you spirits of reproach and accusation, leave Peter, right now, and waste no time in manifesting your personalities, I will not allow wasting of time. Amen!!

Brother Randy, stop for a few minutes and take a couple of deep breaths, you might find your neck stiff, make sure that both you, your prayer support and the *schizophrenic* have something to drink, preferably some hot tea or coffee.

The battle is going to intensify, because we are now facing *strongholds, rejection and rebellion*. Stay calm, you are in charge, not the *2 controlling spirits*. They control the *schizophrenic....NOT YOU!!!* You are in the winning team brother.

NB!! NB!! The LORD just reminded me now, a very important aspect of any deliverance session. If you have a group of one or two or more intersessors..because of.."where two agree", Matthew 18/19, you must ensure that the team is "clean".If any accusation can be brought against them, you can be certain that the enemy will know about it, and USE that information. See the sons of Sceva, Acts 19/14 to 16.

Before I go onto the battle ground, I always go before The LORD and ask The HOLY SPIRIT to show me any unrepented sin. I then ask The LORD to forgive me, cleanse me from all unrighteousness, and to also forgive me from any unknown sin.

I would have an interview with the team before attempting deliverance. Satan does not want you to set the person free, he will attempt to upset the apple-cart. His favorite trick? Cause strife between husband and wife, just before leaving. Make sure all "niggles" are done with before starting.

4. Peter, now we are going to cast out 2 of your biggest enemies, they are known as *controlling spirits, namely rejection and rebellion*. Now, these are strong holds buddy but, 2Co 10:4 (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)

2Co 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

We have the armour of The LORD Peter, they know it, and they tremble, Jas 2:19 Thou believest that there is one God; thou doest well: the *devils* also believe, and tremble.

Brother Randy, it is now 3.20 am and this old pastor's eyes are tired. I'll be up at 9.00am tomorrow morning and back at my desk. You could do the above and go back the next day. Agape Br.Sarel. I have not edited this part yet.
